

DEPARTMENT OF STATE  
WASHINGTON

100-1  
(State)

August 3, 1967

OFFICIAL-INFORMAL

Mr. William N. Morell, Jr.  
Director, Office of Economic Research  
Central Intelligence Agency

Dear Bill:

As you know, each year we publish an unclassified Research Memorandum, "Communist Governments and Developing Nations: Economic Aid and Trade" (copy attached), that draws heavily on the data produced by our joint efforts on the EIC Working Group. It has been suggested that, in view of the current wide interest in this subject, the section on aid in this year's RM be reproduced in a forthcoming issue of the Department of State Bulletin. Since all articles in the Bulletin must carry a byline, authorship of the piece will be attributed to Ken Yalowitz of my office and me.

If this poses any problems for your Office, please don't hesitate to let me know.

Sincerely,

Milton Kovner  
Chief, Bloc International  
Economic Activities

Enclosure: /filed in   
As stated.

**Remarks:**

This proposal doesn't raise any particular problems for us. The paper relies overwhelmingly, of course, on work done in  But State's practice of publishing such a review as if they had done the work is now well established. And since we can't put out unclassified reports, it may even be a good idea.

We note a mistake in Table 4, as indicated.
